

## LA-SERIE. DIGITAL POWER AMPLIFIER

### BASIC INFORMATION

Model NO.: LA-500X2H  
Conductive Mode: D  
Use: Hotel, School, Airport, Malls  
Certificate: CE, FCC, RoHS, CB  
Protetion: High Temp, Overload&Short-C

Factory History: More Than 10 Years  
Warranty: 3 Years  
Factory Ability: OEM ODM  
HS Code: 8518400090

The use of energy-efficient digital class D amplifier efficiency up to 80%-90%.  
LA digital class D amplifier with perfect protection circuit, in order to cope with overload protection, short circuit protection, temperature protection, DC protection.
